

Student-initiated Learning (SIL) Briefing for Students

LBC JAN 2022

What is SIL?

An opportunity for you to learn to be an independent, passionate and lifelong learner

A dedicated time during HBL for you to explore personal interests and learn beyond curriculum

a time for you to catch up on school work

an activity that others ask you to do

an activity that is graded

an activity that you need to spend a long time planning for

What SIL is not

What needs to be done?

- 1) Decide what you want to do
- 2) Plan a schedule
- 3) Carry out your SIL
- 4) Share your SIL by uploading a file
- 5) Reflect on your SIL

All these are done inside the SLS package except the actual activity.

HBL Days: SIL Calendar (With Assessment)

Term and Week	Remarks
T1 WK 6	Start of SIL
T1 WK 8	Continue SIL + Weighted Assessment 1

Write down what you know about the SIL you chose. You can use the following questions to guide your answers:

1. What do you already know about the SIL activity that you want to do?
2. Have you done this SIL activity before?
3. If your answer to Question 2 is "Yes", what is your experience with it?
4. If your answer to Question 2 is "No", what did you notice from people who have done it?

Planning a SIL Schedule

The following example is a schedule for learning 5 new Korean phrases:

Timeline	Tasks	Extra Notes
T1W6	I will decide on the SIL activity, which is to learn the Korean language.	
T1W8	I will complete Section A.	
T1W10	I will start to brainstorm phrases that are useful to learn in Korean.	FTs will monitor for submission of Section A
T2W2	I will go online to find these 5 phrases in Korean. 1. Hello my name is Peter. 2. How much is this?	download app to learn Korean on
T2W4	I will find 5 phrases in Korean.	FT will monitor

Carrying out your SIL

01

Keep it safe

- ✓ Consider the possible risks in what you plan to do.

I haven't used an oven before, I'd better ask my mum/dad/older siblings to teach me before I use it.

03

Keep it stress-free

- ✓ Choose a topic that you enjoy!

02

Keep it simple

- ✓ Choose a simple activity that can be done at home.
- ✓ Ensure that the materials you need are easily accessible.
- ✓ Break down a task into mini-tasks that you can progressively build up over the weeks!

Build up a task progressively over the weeks

Week 1:

Study different portrait drawing techniques

Week 3:

Experiment with a portrait drawing

Week 5:

Add colours, contours and background to portrait

Week 7:

Week 9:

Share your SIL

Here are some suggestions for how you can share your learning!

Digital product	Requirement	File Extension	Size Limitation
