

2022 Joint Intake Exercise (JIE) Briefing

CELEBRATE EFFORTS!

The N-Level is a culmination of years of hard work and perseverance.

Let's celebrate our efforts regardless of the results.

Let's mark the end of the academic year by reflecting together on all our previous successes in school and the challenges we have overcome!

THINK OPPORTUNITIES!

**Remember that everyone's learning journey is different
but we can each have a fulfilling outcome!**

No matter the circumstances, there is always a way forward.

Stop

- Stop any unhelpful thoughts or actions that would make you more upset.
- Inhale deeply and exhale slowly using 10 counts as you relax your muscles. Acknowledge your emotions.

Think

- Think through the different options that are available for you. Keep things in perspective.
- Remember that the N-Level is just one part of your life journey and not the destination.

Do

- Approach a trusted adult and seek his/her help. Have a conversation with this person about what would be best for you.
- Make a decision based on your options and take action.

When you receive your results, you may feel overwhelmed by emotions.

Managing these emotions well will allow you to stay calm and make rational decisions.

Having difficult emotions during a stressful and uncertain period is normal.

Keep a lookout for some of these signs in your peers or yourself.

Reaching out for help is a sign of strength, not weakness.

Key Pointers for Students on ITE's Joint Intake Exercise (JIE) for Admission to Nitec Courses

All N(T) students and N(A) students (who are not progressing to 5N(A) or repeating 4N(A)) are eligible for JIE.

Keen competition for *Nitec* courses, so use all 12 choices wisely!

Participation in Main Phase is key to secure a place in ITE!

If you are keen in the work & learn option, you may consider applying for the ITE Traineeship programme. Do apply in the Main Phase to avoid missing a place in ITE!

If you are unsuccessful in EAE, make sure you apply in Main Phase to avoid missing a place!

If you have received an additional letter, then you are eligible for the 3-year *Nitec* Programme (eNFP).

If you are eligible for eNFP, make sure you apply for the 2-year *Nitec* and 3-year *Higher Nitec* first before applying for eNFP!

The eNFP helps to build the necessary literacy and numeracy foundations that will enable you to successfully complete your *Nitec* course!

If you are counter-offered a course, accept it first before appealing to another course you may be more interested in!
