Dear Parent/Legal Guardian/Caregiver,

Weighted Assessment 2 (WA2) Class Test Schedule and Scope (Secondary 3)

Please take note of the WA2 class test dates, revised format and scope of assessment for Secondary 3 students, shown in Annex A1 and A2.

Students who are absent from WA2 class tests will be given VR (Absent with Valid Reasons), if the absence is supported by a medical certificate from a certified doctor, or due to other valid reasons (e.g bereavement of immediate family member, unwell due to booster jab, tested positive for COVID, etc). For absence due to valid reasons, special consideration will be given to the students. For students absent without valid reasons, 'zero' marks will be awarded for the WA2 component.

Should you need clarifications on matters related to the above, you may email Mr Chang Fook Yong (VP-Academic) at CHANG_Fook_Yong@schools.gov.sg.

Yours Sincerely

Mr Chang Fook Yong
Vice - Principal
