

# Joint Admission Exercise (JAE) Briefing

## **CELEBRATE EFFORTS!**

The O-Level is a culmination of years of hard work and perseverance.

Let's celebrate our efforts regardless of the results.

Let's reflect upon all our previous successes in school and the challenges we have overcome!

REALIZE THAT YOU
ARE NOT ALONE,
THAT WE ARE IN THIS
TOGETHER AND MOST
IMPORTANTLY THAT
THERE IS HOPE.

Deepika Padukone

## THINK OPPORTUNITIES!

- After receiving your GCE O-Level results, there are 3 possibilities:
  - ☐ You are happy that your results meet your expectations,
  - You are overjoyed that your results exceed your expectations, or
  - You are worried/upset because your results fall short of your expectations.

Remember that everyone's learning journey is different but we can each have a fulfilling outcome!

Many pathways and opportunities! (4)

# No matter the circumstances, there is always a way forward.

## Stop

- Stop any unhelpful thoughts or actions that would make you more upset.
- Inhale deeply and exhale slowly using 10 counts as you relax your muscles.
   Acknowledge your emotions.

## Think

- Think through the different options that are available for you. Keep things in perspective.
- Remember that the O-Level is just one part of your life journey and not the destination.

## Do

- Approach a trusted adult and seek his/her help. Have a conversation with this person about what would be best for you.
- Make a decision based on your options and take action.

When you receive your results, you may feel overwhelmed by emotions.

Managing these emotions well will allow you to stay calm and make rational decisions.

# **Supporting Your Friend**

We may each experience different emotions upon receiving the results. You can share your friends' joy by congratulating them or give words of encouragement to friends who may be disappointed with their results.

## Keep a lookout for your friends in distress. You can support them in the following ways:

#### Calm them down

"Are you ok? Calm down, take a few deep breaths."

#### Hear them out

"I am here to listen to you." or "I am here for you."

#### Empathise with them

"It sounds like you are disappointed." or "It seems like this is a difficult time for you."

#### Encourage seeking help

"Thanks for sharing. Why don't we speak with a trusted adult who can help?"

#### Refer your friend to a trusted adult

"Let's talk to our teacher or our School Counsellor so they can better support you. Do share your feelings with your parents/guardians too. Would you like me to accompany you?"

## **Thinking About Your Next Step**

Use 3 Key ECG Questions To Help You Get Started

## Who am I?

The more I know about myself, the better my decisions.

## Where do I want to go?

There are many pathways with opportunities for continuous learning and recognition.

## How do I get there?

Be resilient, explore various pathways and be open to possibilities.

How do I expand the possibilities for my educational and career pathways? Which pathway aligns with my values, interest, personality and strength?

What happens when I don't get into the pathway I want?

Have you been thinking about these questions too?

How about discussing them with Ms Hwee Hoon, ECG Counsellor and make an informed-decision on your post-secondary pathways?

## **Speak to an ECG Counsellor**

Making informed decisions is important for successful transition from school to further education.

Speak with your teachers and ECG Counsellor in school, besides your parents, on the possible pathways.
