Home-Based Learning (HBL)

Contents

1 What is HBL?

2. Pre-HBL

3. During HBL

4. Post-HBL

1 What is HBL?

- HBl day are days where students' learning takes place at <u>home</u>.
- It is part of Blended Learning.
- Cultivate self-directed and own your learning
- HBL Days fall on every <u>even week Wednesday</u> starting from T1W6.

2. Pre-HBL

- Check that you have the <u>login ID and passwords</u> to the different learning portals: SLS, Icon Email, Google Classroom, etc.
- Seek Teacher's help to reset password when necessary.
- Alternatively, complete the <u>Google Form @</u>
  CCHY website > Useful Link > Students > Password Reset

3. During HBL

1. Rise and Shine
2. Log in to SLS and open the Morning Assembly Package (MAP) on SLS between 7:30am and 7:50am
3. Attendance will be based on whether or not your attempted the MAP

3. During HBL

4. The school will follow up with the absentees.
5. Alternatively, your FTs may want to meet you on Zoom or Google Meet.

Types of Learning

Synchronous
Students attend lessons, conducted by teachers f2f.

Asynchronous
Students access lesson materials independently with no f2f session with teachers.

HBL by Subject s

- Lessons will mainly be <u>asynchronous</u>.
- Synchronous lessons will happen between 10-11am or 11am-12pm

HBL by Subjects

- Students to refer to Announcement Page in SLS for lesson instructions by the subject teachers.

Humble advice

Plan out a timetable for the day.

Take breaks in between.

Allocate sufficient time for the completion of each task.

Carry out your learning actively.

4. Post HBL

- Lessons will carry on from where it was left.
- Do not expect a recovery lesson.
- Should the following happens, you will be subjected to <u>disciplinary actions</u> by the school.
  - → failed to complete a task
  - → incomplete/ tardy work submission
  - → absence without reason

"Home-based learning set to be regular part of schooling post Covid-19."

Education Minister Ong Ye Kung
